

SWIM- ASSIST 350-19

The Swim-Assist 350-19 Pool Lift is an economical low profile, ADA compliant lift designed with durability and reliability in mind. A user has full control of the lift without assistance with an easy 2 button remote. Perfect solution for hotel, clubhouse or residential pools. Pair this lift with the optional Solar Charging Station to extend the life of your battery. The solar charger eliminates the need to remove the battery each night for charging.

PRODUCT FEATURES:

- 350 lb Weight Capacity
- Up to 19" Anchor Set Back
- Up to 12" Deck to Water
- Field Reversible
- Solar Capable
- 3 Year Warranty
